

Order Coin Collection Boxes for Your Upcoming Build-A-Bed or Nickels for Nets Project!

Sweet Sleep now has cute little coin collection boxes for your kids to collect their donations or offerings in for your **Build-A-Bed** or **Nickels for Nets Projects!**

These boxes are **FREE** and can be ordered by e-mailing buildaded@sweetsleep.org. They're about the size of a small kids cereal box you get in packs of 12 or so at the grocery store. ☺

Just specify the number of boxes you'd like/number of kids participating and which project you are working on, along with your address, and we'll ship them out to you for free.

The boxes come flat and pop up by squeezing the sides of the box – it's that easy. After your project is over – kids can keep their boxes and you can mail a check to our office for the funds your group collected.

Thank you for partnering with us to provide beds and life-saving mosquito nets to the world's orphaned and abandoned children! For more information about these two programs and for other free resources, visit www.sweetsleep.org/build-a-bed or www.sweetsleep.org/nickelsfornets.
