

Student Video Booth Script

The following script can be used to record student videos during Under the Stars.

These videos can be posted on student facebook pages to help raise funds for resettlement kits for orphans in northern Uganda. The script is just a guide – feel free to adapt the script.

E-mail underthestars@sweetsleep.org with questions and/or to let Sweet Sleep know your 3 letter code for your church so we can track donations for your students. Thank you for partnering with us to provide beds, nets and Bibles to these sweet orphans in northern Uganda – helping them finally come home.

“Hey friends, it’s _____. Tonight I’m sleeping outside Under the Stars learning about the conditions in which orphans sleep in northern Uganda. These kids have seen some terrible things in the more than 22-year war in their region – many being forced to be child soldiers and even forced to kill their own parents... Now that the war is in a time of peace, the displacement camps where they’ve been living are “closed” -- but these camps are all many of them have ever known. It’s time for these children, more than 750,000 of them, to return home to their now safe home villages.

I’m helping resettle these kids along with friends from my church/school. A resettlement kit for one of these kids is just \$50 – which gives them a healthy, comfortable new bed, bedding, a life-saving mosquito net and a Bible in their language. When kids hear that they’ll have a bed, a net and a Bible, things they never thought they would be able to own, they’re lining up in droves to go home. I want to help Sweet Sleep resettle as many of these kids as possible. These children, who have seen and experienced such horrible things need a place to pray and dream – a place to sleep sweetly. Can you help? I’m collecting donations through _____ (date). You can find me and get me your donation or you can give online at www.sweetsleep.org/donate. Just put this code in the comments box – UTS _____. *(Fill in 3 letter church abbreviation and last name or first initial and last name if there are more than one student per family participating – i.e. UTS SBC CROWDER.)*

Thanks for your help. I can’t wait to see how many kids we can help finally come home.
